## TECHNICAL INFORMATION

---

DESIGNER: MAURO LIPPARINI

The Campus collection, designed by Mauro Lipparini, evokes an evergreen design with a rigorous contemporaneity. Collection of tables, characterized by soft lines and harmonious silhouette. A chase of movements that outline a sought after aesthetic value. Different tops, size and materials create a sophisticated proposal for the living area. Strong identity of refined interior collection and modern decoration.

### PRODUCT DETAILS

Table program with laser-cut, polished and nickel-plated galvanic steel sheet foot and champagne-coloured liquid-coated.

The metal base has details with inserts in solid tobacco-stained ash.

Top available in various materials:

- veneered wood top and brushed tobacco elm with full flame grain and shaped edge;
- stopsol glass top with mirror effect and glossy green back lacquer
- green calacatta marble glossy finish treated with water repellent paint. Marble top is supported by a quartzite panel.
- Radica Forest Brown marble top

The accent version is also available in polished and nickel-plated steel and champagne painted top. Metal foil is supported by a MDF shelf.
